This website is a personal travel blog with articles about my trips and a small shop section where I sell **digital travel itineraries** (self-guided travel plans). This document explains what data may be processed when you browse the site, buy an itinerary, or use embedded third-party services.

## Cookie Policy

Cookies are small text files stored on your device. This site may use cookies for the following categories:

### Strictly necessary cookies

These are required for basic functionality and security (e.g., core WordPress behavior such as the `wordpress_test_cookie` used to check cookie support).

### Functional cookies

These support convenience features, such as remembering preferences (e.g., language preference cookie used by Polylang).

If comments are enabled, WordPress can store comment-related cookies (e.g., to remember your name/email if you choose “remember me”).

### Analytics cookies (only if enabled)

If I enable Google measurement via Site Kit (for example Google Analytics), cookies and similar technologies may be used to understand traffic and usage. Site Kit is designed to connect WordPress with Google tools for site insights.

### Managing cookies and consent

I use **Cookie Notice & Compliance for GDPR/CCPA** to display a cookie banner and (depending on configuration) to block non-essential scripts until you give consent.

You can also control cookies via your browser settings (block/delete cookies), but parts of the site may not work correctly.
