This website is a personal travel blog with articles about my trips and a small shop section where I sell **digital travel itineraries** (self-guided travel plans). This document explains what data may be processed when you browse the site, buy an itinerary, or use embedded third-party services.

Disclaimer

Not a travel agency

I am **not a travel agency, tour operator, or booking service**. I do not provide travel-agency services such as booking accommodation, flights, transport, visas, insurance, guided tours, or 24/7 assistance. My itineraries are **self-travel plans** intended for independent travellers.

You are responsible for your own bookings, safety, documents, decisions, and compliance with local laws and entry requirements.

Information may change

Travel conditions can change quickly (prices, opening hours, road conditions, seasonal closures, safety situation, rules/permits, visa/entry requirements, availability). Some details in an itinerary may be outdated by the time you travel. Always verify critical information with official sources and providers.

Limitation of liability

To the maximum extent permitted by law, I am not liable for losses, damages, cancellations, injuries, fines, missed connections, or other issues arising from the use of my content/itineraries or from third-party services you choose.
